MATIC INTERVIEW

May 3rd, 2024

Peter van der Kamp, *Husol*

“BY INSTALLING OUR NEW CUTTING MACHINE, WE CAN WORK FASTER AND MORE EFFICIENTLY, AND PROVIDE EVEN BETTER SERVICE TO OUR CUSTOMERS”

In this series of interviews, we would like to put the spotlight on different partnerships and get insight on what it means to be part of the Matic Family.

HUSOL[®]
ZONWERING

Husol, a leading manufacturer specializing in sun protection and roller shutters, has recently made strides in optimizing its production processes through the acquisition of new machinery. The company's commitment to innovation and efficiency has led them to invest in a new Matic M1-PC cutting machine, an initiative aimed at strengthening their digitalization and automation capabilities.

“With the integration of the Matic cutting machine, we're not just cutting materials; we're shaping the future of our manufacturing processes,” noted Arend van de Wetering, responsible for project management at Husol.

Peter van der Kamp, owner of Husol, further emphasized the impact of the new cutting machine, stating, “By installing our new cutting machine, we can work faster and more efficiently, and provide even better service to our customers.”

Thank you to Mr. Peter van der Kamp and your team for your trust.

Husol collaborates with Nautasign, a dealer of Matic machines in the Benelux region, to enhance manufacturing efficiency. Leveraging Nautasign's expertise in sign and print, and partnerships with top brands like Epson and HP, Husol seamlessly integrates new equipment. Nautasign's support extends to software solutions and efficient delivery options, bolstering Husol's operational agility. Together, they excel in sun protection manufacturing, delivering top-notch products efficiently, and setting high standards for innovation and service.

As Husol looks to the future, the investment in the Matic cutting machine represents more than just a technological upgrade—it's a testament to their commitment to delivering top-notch products and services. With a blend of innovation, quality craftsmanship, and a customer-centric approach, Husol continues to set the standard in the sun protection industry.

Furthermore, Husol's collaboration with Nautasign, a trusted dealer of Matic machines in the Benelux region, has been instrumental in ensuring a smooth transition and optimization of the new equipment. Together, they've worked to ensure that the Matic machine meets Husol's exacting standards and seamlessly integrates into their operations.

Husol, known for its top-notch sun protection and roller shutters, is stepping up its game in the manufacturing arena. They've recently brought in a new Matic M1-PC cutting machine to amp up their digitalization and automation efforts.

From Genemuiden, Husol serves the Dutch market for sun protection and roller shutters. We do this in our own unique way, with a focus on quality and attention to detail. With Husol's sun protection, a perfect indoor climate is achieved or a wonderfully sheltered outdoor space is created in no time. Our roller shutters measure up to the very best products on the market. Quality, safety, and aesthetics are guaranteed. Whether enjoying a summer meal on a terrace sheltered by Husol sun protection or sipping on a warm cup of cocoa by the fireplace with the roller shutters snugly closed in the winter, Husol brings atmosphere.
